Additional Factual Argument  
To Support Reconsideration

Billy Allis does now submit the Additional Fact in  
support of This motion (Doc 53-1)

FACT

A Review of Fuller's order and his erroneous use of  
Fed. R. Civ. P. Rule 72 to uphold Walker's clear error in  
her opinion shows a gross miscarriage of  
Justice and the willful misuse of Federal Rules  
to do so.

Clearly under 28 USC § 636(b)(1)(A) does not give Walker  
The Authority to Ignore 28 USC § 2249 nor 28 USC § 2254.  
Rule 4+5

because Rule 72 does not extend to 28 USC §§ 2254  
and 2255 which are covered by special rules  
relating to the procedure there in.
